This document is for LilyPond version 2.11.28

`'volta-multi-staff.ly'`

By setting `voltaOnThisStaff`, repeat brackets can be put over staves other than the topmost one in a score.

The image displays a musical score with two systems of two staves each. The first system has a treble clef on the top staff and a bass clef on the bottom staff. The second system has a treble clef on the top staff and a bass clef on the bottom staff. The music consists of quarter notes on the top staff and half notes on the bottom staff. Above the first system, there are two repeat signs labeled '1.' and '2.'. The first repeat sign is positioned over the top staff of the first system, and the second repeat sign is positioned over the top staff of the second system. This demonstrates how repeat brackets can be placed on staves other than the topmost one in a score.
